吳曦雯（2024 年 6A 班畢業）

時光荏苒，日月如梭。眨眼間，六年的小學生涯就過去了。我不經不覺已成為中學生，亦是校友，進入新的環境中學習。

最讓我期待的是校友重聚日！那天我走進熟悉的校園，看到各位老師和同學，大家都開心得跳起來。同學們久別重逢，一起談天說笑和拍照，留下美好的回憶。同學們趁機把整個校園都逛了一遍，回想起各種往事，真是一番滋味在心頭。老師的循循善誘，與同學相處的快樂時光，至今仍浮現在我的腦海裏，這些寶貴的記憶永遠留在我的心內。

升上中學後，同學們分道揚鑣，在朋友相處方面有很多轉變。我要主動認識更多新朋友，擴闊社交圈子。在學習上，學校增設了多個科目，跟以往小學的不同，我更需要適應新的學習方式。

最後，我衷心感謝母校的老師、同學對我的扶持和鼓勵。祝母校桃李滿門！

I walked past my primary school entrance and opened the next door, the next level, secondary school. I turned my head back to look at my primary school. All the experiences I've had here have now become memories. I stepped through the door and began a new journey. I realised that I had moved on.

I remember the first day in TWGPS. I was not familiar with all the new things. I didn't know what to do. My mind was full of anxiety. I was confused. But as time passed, I started to love school and enjoy school life. TWGPS let me expand my knowledge and social circle. Also, TWGPS helped me to discover my interests and shape my character.

TWGPS guided me and saw me through, helping me develop resilience to keep learning and advancing. TWGPS helped me grow in strength. Now, I'm brave enough to overcome adversities and difficulties. Although I'm not the most confident and cleverest one in class, TWGPS gave me powers that enabled me to turn impossible to possible. These were all things that primary school has done for me. I'm grateful for being a student of TWGPS.

Lastly, I want to express my gratitude and say a big 'Thank you' to all teachers and classmates. Thank you for your support, care and encouragement. I'll treasure all the memories that I made here. Goodbye teachers. Goodbye friends. I'll always be thankful for the things that you've given me. I will keep moving forward, one milestone after another. Maybe someday I'll come back and visit here again.

Birds soaring into the sky. A new chapter of our story. An ending, but also a beginning. The intensity is ramping up. Everything is much more suspenseful. We are slowly hiking up the mountains, slowly reaching the top step by step. This is how the story goes. But even if this is a new beginning, all stories should always have an introduction. An origin to a story. And that is where primary school comes in.

We were on a foggy island. A location never seen before. We didn't know where to go or what to do. We were all completely clueless, our minds filled with never ending question marks. Primary school guided us through the fog. Showing us the way, it taught us the ability to familiarize ourselves to this island. By helping us to thrive and make connections, it made each and every one of us have a sense of individuality. Filling us with absolute wonder and potential, it shaped us into who we are now. It gave us hope, dreams and power. It helped us attain and comprehend things that the world had to offer. It freshened and polished us to perhaps become destined for greatness. That is what primary school has done for us. And we should be forever grateful for that.

But what about now? We are still on the island. We are still exploring the things it has to offer. There are different secrets that lie beneath the surface, and we are determined to find out. We are still slowly learning how to take control of our island, how to understand the new rules, how to shape our paths the way we want, how to open up different doors for ourselves, and how to make things go according to our plans. But we couldn't have done these things without having had the experiences of our primary school; without the basics, without the fundamentals. Without these, we would have never been able to adapt to our island.

Chinese, English, Mathematics, General Studies, all living in harmony, serving their purpose as a foundation of knowledge, the base of our island, the roots of our tree. The branches are our relationships to one another. Our connections with our dear classmates. The most treasured memories of our time there. These are all important factors when we try to take care of our little island.

And finally, thank you again, primary school, for helping me, and all other classmates to create our stories. We will always be grateful for the care and love you have given us. And maybe, just maybe, when we're older, we can all have a toast, to our survival, on our own little islands.

當我經過「荃小」的大門，再次踏進母校這個溫暖的大家庭時，一陣陣熟悉的感覺湧上心頭，小學生活彷彿在眼前重現……

你猜我在校友重聚日回到母校後，馬上到哪裏去？當然是一樓教員室。那天，我和另一位小學同學跟老師們分享着中學生活的趣事，真是快樂極了！

除了跟老師聊天，我們還到了操場上走走。當我一踏進操場，就感覺自己還是一名小學生，那些小學生活片段也漸漸在我的腦海裏湧現：上體育課的玩樂時刻，午息的歡樂時光……全都從腦海裏蹦跳出來。抬頭望着我待了六年的校園，眼淚不禁流下來了，不是因為傷心難過，而是這些只屬於小學的歡樂時光難以重現。

六年的小學生活轉眼間就過去了。六年的青春啊！這六年中的人和事都讓我難以忘懷。一些老師對我的寵愛，讓我感受到像父母般的關愛。6B 班課室更是令我難忘，每當看到它，我的耳邊都會響起那琅琅的讀書聲，老師那「恨鐵不成鋼」的責罵聲，同學們小息時的嬉戲聲……時間匆匆地走了，留下的是這些深深的懷念。

我永遠都不會忘記在畢業典禮上，我們大聲唱的歌，現在還在我心底輕輕迴盪：「世界這麼大還是遇見你……」

## 黃穎姿 Lynette Wong (2024 年 6B 班畢業)

Hi, I'm Lynette Wong. I graduated TWGPS in 2024. I've just started my new chapter in Tsuen Wan Government Secondary School. It is my pleasure to give you an update.

I have experienced a mix of emotions since I started secondary school. On the one hand, I was excited to attend the new school which I had dreamt of going to. On the other hand, I was nervous about moving from a familiar environment to a much larger school with new subjects to learn, and new teachers and classmates to meet. Even now, I am still trying to find my way adapting to the new secondary school life. The most difficult thing for me now is the new subjects. Most of them are taught in English and involve a lot of homework. It always takes me a lot of time to finish them. Fortunately, there are many of my primary school classmates who attend the same school as I do. It really comforts me to see those familiar faces.

Additionally, there are various new challenges for us to grow into and develop ways of dealing with them. Now, all students are allowed to go out of the school for lunch. I always explore new food places and restaurants with my classmates. Moreover, I have joined the English Society, the Astronomy Club and the Symphonic Band at my new school. By participating in different extracurricular activities, I am able to meet a new variety of schoolmates who share the same interests. I am thrilled to join these clubs, as they are fantastic for me. I now aspire to participate in various Mainland and overseas exchange programmes offered by the school to broaden my life experiences.

Sometimes, I can't stop thinking about my life in primary school. I vividly recall how small I was in primary one. With the support and care of everyone in primary school—my principal, teachers, social workers and my peers, I learnt to overcome challenges and became stronger and more confident. I believe all these cherished memories will remind and inspire me to reach further in my secondary school journey.

Last but not least, I would like to take this opportunity to thank TWGPS and everyone I met there. I look forward to visiting TWGPS again.

Reflecting on my primary school days evokes a warm and nostalgic feeling that transports me back to simpler times filled with laughter, happiness and the friendships we shared. Those formative years, during which everyone, including my teachers, my classmates and myself, played a significant role in shaping who I am

now. As I think about my primary school life, I am reminded of all the countless memories that made me laugh and brought me happiness so much.

One of the most striking aspects of primary school is the sheer joy of learning. Each day was a mysterious adventure waiting for us to unfold. I remember the excitement of entering the classrooms, where brightly coloured walls and the scent of a fresh new day filled the air. I can still recall how fascinated I was during science experiments in General Studies. I eagerly watched as my General Studies teacher demonstrated the chemical reactions that would occur. Those moments ignited my passion and curiosity for learning.

Friendship was another cornerstone of my primary school experience. The bonds formed during recess and group projects provided by the school were invaluable. I can vividly picture all of my peers bonding with each other, the time and memories filled with the sound of laughter are unforgettable. Whether we were playing tag or simply chatting about our favourite TV shows, those interactions taught me the importance of camaraderie and teamwork. We navigated the ups and downs of childhood together, learning how to resolve conflicts and support one another through challenges. Those friendships, often forged in play, created a sense of belonging that was comforting and reassuring.

However, primary school life was not without its challenges. There were many moments of anxiety, such as the fear of giving a presentation in front of the class or the occasional sting of classroom politics. I remember feeling nervous and scared before tests, worrying about how I would perform. Yet, these experiences were essential in teaching me resilience and determination. With the support of understanding teachers and encouraging friends, I learned to face my fear and embrace the process of learning. These lessons have had a lasting impact on my approach to challenges in life.

As I reflect on my primary school life, I realize how much it shaped my values and perspectives. The experiences, friendships and lessons learnt during those years have influenced my journey, making it a smoother path for me to walk along. I often find myself wishing I could relive those carefree days, when the biggest worries were about homework and playtime. The memories of primary school will always hold a special place in my heart, reminding me of the joy of learning, the importance of friendships, and the beauty of childhood innocence.

「荃灣官小是我家……」每當想起這首歌，我的思緒就飄回小學時光。我曾經是 6C 班的學生，現在就讀荃灣官立中學。

每當我走進小學校園，宛如踏入童話世界。在這片五彩繽紛的天地裏，我遇見人生第一位啟蒙老師——陳老師。他就像一座燈塔，指引着我在知識海洋裏乘風破浪。

六年級時，最想感謝的是班主任——陳老師。他的耐心與愛心就像春雨，讓我們在他的呵護下茁壯成長。記得有一次，我因數學評估不如意而感到沮喪，陳老師的話：「失敗乃成功之母。」猶如清泉注入我的心田，他不僅是老師，更是懂得我們的煩惱、分享我們快樂的朋友。

我要多謝的不僅是陳老師，還有全校老師。小學的課堂上，老師們就像發光的燈塔，用知識照亮我們。每當我想起教室裏的時光，心中便湧起暖意：是那一篇篇動人的故事，啟發了我對世界的好奇；是那一次次的視藝創作，培養我對藝術的熱愛。

現在回想，校園每個角落都瀰漫着回憶。感謝老師們春風化雨般的教導，讓我融入這個大家庭，讓我能在求知的道路上勇往直前。我將以這份精神作為人生的指南針，努力不懈，回報這珍貴的六年。

其實，我為小學生活寫過這樣一段文字：「我用了六秒走進教室，六分鐘認識老師，六小時熟悉同桌同學，六天適應環境，六週認識全班同學，六個月了解所有人，六年才懂得甚麼是離別。」

我想對小學的師弟妹說：「好好珍惜現在的小學時光，升到中學回頭看，可能會有很多遺憾。請好好珍惜這六年！」

最後我想說，這六年讓我明白：「不應在乎天長地久，只要珍惜曾經擁有的快樂！」

歲月匆匆，花開花落，時間已從指縫間溜走了。原來我已為六年的小學生涯畫上了完美的句號，換上了另一套新校服。再次踏進母校那天，只覺得每個人都格外親切，連一草一木、一磚一瓦都充滿了回憶。

看到那羣曾經與我在知識海洋中奮力拼搏，在操場上盡情玩樂的同學，我們便會圍坐談天說地，並分享中學校園的生活。閉上眼睛，腦海裏盡是往日相處的點滴——我們曾形影不離，只要有我的身影，必有他們存在。

看到那羣以和藹、真誠鼓舞我努力學習的老師們，眼眶就會發熱。他們是我心灰意冷時，能敞開心扉訴說心事的聆聽者；是我驕傲自滿時，為我輕敲桌沿提醒謙遜的引路人……謝謝您，親愛的老師！您們諄諄教誨將化作我腦中的智慧，胸中的熱血，行事的準則，永遠銘記於心。

升上中學後，不論與朋輩相處，或是在學習模式方面都大不相同。學習上，增添了許多新科目，大部份用英語教學，功課更堆積如山，每項都是全新挑戰。但在老師的支持、關心與鼓勵下，所有問題都能迎刃而解，我也逐漸適應新生活。

親愛的母校，感謝您給予的一切。我會帶着您的愛與智慧，在人生旅途繼續前行。

## 黃然希（2024 年 6D 班畢業）

踏入人生新階段，目標也隨之改變。剛升到中學時，陌生的環境讓我忐忑不安，連和同學打招呼都緊張得手心冒汗。各種問題在剛開學時每天困擾着我，但後來發生了意想不到的變化。

我在中一生活中，認識了很多朋友，我們並肩同行，一起成長，一起進步。老師們既有耐心又有智慧，總能發現不同學生的需要，並能找到最適合的教學方法。

正因為有這些良師與我同行，當初的不安早已消失得無影無蹤。現在回想，我非常幸運及特別感激母校培養我的品德，讓我能在現在的中學裏自信前行。

我希望各位師弟、師妹繼續努力前行，不要害怕未知的前路，因為人生路上總會遇到扶持你成長的人。請牢記要得珍惜眼前的機會，珍惜身邊每個真心相待的人，將來才不會後悔。

## 黃鈺彤（2024 年 6E 班畢業）

光陰似箭，日月如梭，一眨眼六年已經過去了。我不再是一位小學生，而是一位中學生。我坐在中學的課室裏，看着新的同學，回憶着往日的小學生活，並期待着今年校友重聚日的到來。

今天是我期待已久的校友重聚日。我一想到可以看見老師和同學，就感到十分興奮和激動。放學後，我立即和朋友乘坐巴士返回母校。回到學校門口時，我們都很好奇老師看見我們的反應，於是我們像小偷一樣，偷偷摸摸地走進學校大門，尋找老師在哪裏。走着、走着，我們面前有一位老師經過，她發現了我們，並且詢問為甚麼不快點進入校園？然後我們被她「抓住」了。

我們首先走到有蓋操場簽名，然後到前排座位坐下。當我們一坐下，就聽見旁邊有熟悉的聲音，回頭一望，發現是 6E 班的同學。我們都感到很親切，並且互相問候對方的近況，場面非常溫馨！

每一班都完成拍照後，終於可以自由活動了。我們首先衝去後面的桌子上拿取零食，然後一邊走，一邊吃。後來，我還遇見了幾位熟悉的老師，我們一起談了很多往事，真懷念過去啊！

不知不覺間已經到了校友重聚日完結的時候，我們必須離開校園了。我依依不捨地向老師和同學說再見，不知道下次的見面是甚麼時候呢？會是明年的校友重聚日嗎？雖然我不知道，但我十分期待。

## 張睿哲（2024 年 6E 班畢業）

今年七月是每個小六生既期待又緊張的重要日子——升中派位結果公布日。當我知道派位結果——九龍華仁書院那一刻，開心得差點從椅子上跳起來，這份驚喜至今仍讓我記憶猶新。

九月一日，我懷着既緊張又興奮的心情踏進嚮往已久的校園。開學首日就收到令人振奮的好消息——我被編入精英班！這意外驚喜就像一劑強心針，讓我對中學生活增添一份信心。

「九華」為我提供了參加不同活動的機會。在暑假時，我已經參加了田徑校隊的訓練。十一月，我更有機會參加 D1 學界比賽，這機會十分難得及珍貴。

在課堂學習方面，「九華」給予我珍貴的知識。雖然我需要時間適應全英的學習環境，但我會比以往更加努力，並告訴自己：「每天進步一點點！」。雖然過程辛苦，但我相信努力和收穫終會成正比！

展望未來，我希望在學業成績及運動方面持續進步，並得到更多獎項。我更希望可以創造屬於我的精彩中學回憶！
